

AMBURY SHIELD INTERCLUB COMPETITION

Evaluation Sheet

For All Classes **EXCEPT** Thematic and Open

SOCIETY EXHIBIT No

CLASS

TITLE OF EXHIBIT

Clubs and judges please note :

(a) Only one evaluation sheet should be returned for each entry.

(b) Since the Ambury Shield Competition is often the first competition inexperienced exhibitors enter, it is **particularly important** that judges offer helpful comments.

Category	Maximum	Excellent	Very Good	Good	Acceptable	Score
Treatment & Importance	35	30-35	25-29	19-24	16-18	
Knowledge	35	30-35	25-29	19-24	16-18	
Condition	15	13-15	10-12	8-9	7	
Presentation	15	13-15	10-12	8-9	7	
					Total	

Category	Criteria	Comments
Treatment and Importance	All classes require a short introductory paragraph or sentence. Material should be displayed in the manner most appropriate for the subject.	
Philatelic Knowledge	This will be demonstrated by the selection of items used. Generally only appropriate philatelic material produced, or valid for postage should be included.	
Condition	Should be the best available for the subject.	
Presentation	Clear, neat and balanced. Text should be concise and used only when material is not self-explanatory.

AMBURY SHIELD INTERCLUB COMPETITION

Evaluation Sheet THEMATIC Class (Class 6)

SOCIETY

EXHIBIT No

TITLE OF EXHIBIT

Clubs and judges please note :

(a) Only one evaluation sheet should be returned for each entry.

(b) Since the Ambury Shield Competition is often the first competition inexperienced exhibitors enter, it is **particularly important** that judges offer helpful comments.

Category	Maximum	Excellent	Very Good	Good	Acceptable	Score
Introduction and Plan	10	9-10	7-8	5-6	4	
Treatment & Development	35	30-35	25-29	19-24	16-18	
Knowledge	25	21-25	17-20	13-16	11-12	
Condition	15	13-15	10-12	8-9	7	
Presentation	15	13-15	10-12	8-9	7	
					Total	

Category	Criteria	Comments
Introduction and Plan	A short introductory statement is required. The plan (or table of contents) should be part of page 1 and show the development of the subject in a concise, methodical manner.	
Treatment and Development	The development of the subject must follow the plan exactly. Originality, balance and correct information are important.	
Philatelic Knowledge	This will be demonstrated by the selection of items chosen. Generally a variety of appropriate philatelic material produced or valid for postage should be included.	
Condition	Should be the best available for the subject.	
Presentation	Should be clear, neat and balanced. Text should be concise and used only when material is not self-explanatory.
