2021 PROSPECTUS

The Organising Committee invites entries from New Zealand and overseas to be judged and displayed at the 17th New Zealand National Philatelic Literature Exhibition (17th NPLe) to be held in 2021.

Background

Specialised philatelic literature exhibitions have been held in New Zealand every second year since 1989. They have drawn worldwide support and have served to introduce New Zealand collectors, to literature that will develop their knowledge and interests.

Following the success of the previous exhibitions, the Christchurch (NZ) Philatelic Society Inc has accepted an invitation to organise the 17th NPLe and members of the Society form the Organising Committee. The Society is home to an extensive philatelic library in New Zealand, housed in our Philatelic Centre.

Entries to the past exhibitions are accessible to New Zealand Philatelic Federation (NZPF) affiliated society members and are also used by philatelic exhibition judges. This practice will continue.

The Organising Committee for this exhibition also welcomes entries of electronic media including digital monographs, journals, newsletters, and websites. We are also considering a social media class which is likely to have a less formal judging regime which we have yet to fully develop. We will publish more details as they develop for this class on our website (www.cps.gen.nz)

4.1 *Literature exhibits will be evaluated according to the following criteria;*

Technical matters

Presentation

4.2 *The criterion “treatment of contents” requires an evaluation of the literary style, clarity, and skill in communication shown in the exhibit.*

4.3 *The criterion “originality, significance, and depth of research” requires an evaluation of the overall significance of the subject matter presented in the exhibit, as well as the degree to which the exhibit displays original discoveries, research, analysis or approaches to a comprehensive understanding of the subject matter.*

4.4 *The criterion “technical matters” requires an evaluation of such aspects as title page and imprint pagination, credits, bibliography, index, and use of illustrations.*

Should there be developments resulting in changes we will contact entrants of those before any judging is carried out. Changes will also be on our website www.cps.gen.nz
