

Stamp and postcard collecting are hobbies suitable for all ages and can be inexpensive or as expensive as you wish depending on your collecting interests.

# Learn more about growing your collection – join a club!

---

## Stamp and postcard clubs and societies around New Zealand

There are clubs throughout New Zealand where stamp and postcard collectors gather to share knowledge and show their collections. This is a great way to learn and grow your collection.

Clubs have regular meetings where members can seek advice, show their latest acquisitions and pass on advice. Often speakers talk about and show their collection giving ideas on what or how you might collect.

Clubs frequently produce newsletters which keep their members up to date on aspects of the hobby while some of the larger clubs produce magazines of international repute. Clubs often provide opportunities for members to buy, sell or exchange material among each other.

These are just a sample of the many benefits of joining a club.

### Stamp clubs and societies around New Zealand

This booklet provides details of clubs and societies around New Zealand, informing you where and when they hold their meetings and provides information about how to contact them.

More information about stamp collecting in New Zealand, where to find your local stamp club or next stamp fair or show, or a wide range of other stamp information can be found at [www.nzpf.org.nz](http://www.nzpf.org.nz) or you could email the New Zealand Philatelic Federation secretary at [secretary@nzpf.org.nz](mailto:secretary@nzpf.org.nz) who will be happy to assist with any query you may have about stamp collecting.

**Please note this information was correct at the time of going to print. You may find it worthwhile contacting the society and/or checking the [www.nzpf.org.nz](http://www.nzpf.org.nz) website before committing your attendance. All societies welcome visitors. The listing is generally organised from North to South.**

# New Zealand Philatelic Federation

Most New Zealand stamp clubs are affiliated to the New Zealand Philatelic Federation (NZPF).

Federation has a website [www.nzpf.org.nz](http://www.nzpf.org.nz) providing a wealth of information about the hobby and, particularly valuable for those clubs who do not have a website of their own, provides a platform for its members to have a web page detailing their full range of services and programmes.

As a member of FIP (International Philatelic Federation) and FIAP (Federation of Inter-Asian Philately), Federation has a responsibility to ensure our exhibitors, and the judges who assess their exhibits, are up to suitable standards. New Zealand in exhibiting and philately in general, as in many other activities, 'punches above its weight'.

For more information about stamp collecting go to:

The New Zealand Stamp Dealers Association (NZSDA) is a professional body of individuals or companies dealing principally in philatelic material (postage stamps and postal history). Members of the NZSDA must adhere to a strict Code of Ethics to ensure the public can deal with the members with confidence.

The NZSDA has a website at [www.nzda.com](http://www.nzda.com) which contains up-to-date information about dealers and the association. Details of stamp fairs and shows where NZSDA dealers will be present are also available on that site.
